Dear Alumnus, Patron, and Friend,

The Kennard Alumni Association needs your help! As proud as we are that the 6 year “Kennard School Restoration Project” is winding to completion, there is still work to be done, as we begin the programs of the new **“Kennard High School Cultural Heritage Center and African American History Museum”**. Our goal was to complete this 2 million dollar project “debt free” through grants, donations, and fundraising events. Despite our best efforts, we were forced to borrow \$150,000 to complete the restoration.

As the association begins its efforts to fund the programs and operation of the new center, it is imperative that we retire this debt as soon as possible. We can’t let this debt be a drain on the services this center will provide to the community. **While we greatly appreciate the 50 of you that have donated to this funding campaign so far**, we still need **100** individuals, businesses, or organizations to commit to a, tax deductible, \$1000 donation, to be paid over 3 years, to help Kennard Alumni retire the debt. **“We are counting on You!”** Please choose to pledge in one of the following ways below.

Thank You,

*Clayton Washington*
